LOCATION:
Big Tujunga Dam

PROJECT/WORK ORDER NO.
F00159850

FLOOD FACILITY NAME:
Big Tujunga Dam

PROJECT DESCRIPTION:
To authorize temporary access into Los Angeles County Flood Control District's (District) right of way (Big Tujunga Dam) for set up on 12/12/2019 and 12/13/2019, and filming from 12/15/2019 to 12/19/2019 (8AM - 10PM).

$6694.00 is owed to the County by FilmLA.

==========

AMENDMENT OF 12/12/2019: Permit amended to revise conditions and description. All the provisions of this permit are still effective and in force.

PROJECT CONDITIONS:

1. No Work shall be permitted at the facility prior to 12:00PM on December 12, 2019
2. Permittee shall provide a minimum 48 hour advanced notice to all adjacent property owners or occupants within a 1 mile radius of the project site; and call the local Stormwater Maintenance Division yard at least 24 hours before starting work. The notice shall be written in the form of a letter, doorhanger, or flyer; and provide sufficient information regarding the project including the scope of work, schedule of work, working hours and a human contact to handle questions. Evidence of such notice must be produced upon demand by any District representative.
   Hansen Yard (West) (818) 896-0594

NOT A PERMIT

3. LACPW reserves the right to limit or stop any filming activities if deemed to impact safety at the facility or will impact flood control operations. Permittee shall not block access for County personnel. Depending on the locations, the dam operator or assistant has the right to escort the entire production crew to a different location.
4. Permittee shall provide a schedule of activities, including duration, to avoid any potential conflicts with LACDPW maintenance activities in the area.
5. Any safety incident, including any damage to the facility, shall be immediately reported to the Dam Operator, Art Olivas at cell phone number (626) 250-9988. Permittee's event representatives shall coordinate with the District's personnel in case of an emergency to secure site and implement dam safety activities in a timely manner.
6. Permittee shall provide a professional security guard at the entry gate to the facility to ensure only authorized film personnel have access to the facility.
7. Permittee is prohibited from using the southern access ramp into the reservoir due to rockfall hazards at Big Tujunga Dam.
8. No entry of personnel or equipment into the reservoir, plunge pool, or river is allowed except as necessary to cross the river at defined river crossings.
9. No entry or filming of the interior portions of the dam, including the dam control house, will be permitted. Access to the dam structure is prohibited.
10. No vehicular access is allowed on the Big Tujunga Dam spillway bridge.
11. No vehicle or equipment weighing in excess of legal weights permitted on State and Local highways per California Vehicle Code will be allowed within the District’s right of way.
12. When vehicles/equipment are on FCD property, all necessary BMP's shall be implemented such as drip pans, dry clean-up methods, etc.
13. All appropriate Cal/Osha regulations for confined spaces, fall prevention, etc. must be followed. All personnel shall comply with OSHA requirement regarding Personal Protection Equipment (PPE) while on site.
14. No equipment or materials shall be stored overnight on LACFCD premises.
15. No simulated firearms or pyrotechnics will be permitted on or adjacent to the dam structure, and in areas designated to have rock-fall hazards.
16. Simulated firearms and pyrotechnics usage at the facility will require submittal of a fire suppression plan for review and approval by SWED – Dams Section (Scott Gregowske at cell phone: (626) 759-0804 and email: sgregows@dpw.lacounty.gov), which will include information on fire suppression equipment to be on-site, procedures to prevent an accidental fire, and procedures in the event of an accidental fire.
17. Applicant shall maintain a Health and Safety Plan.
18. Drone activities at the facility will require submittal of a flight plan for review and approval by SWED – Dams Section (Scott Gregowske at cell phone: (626) 759-0804 and email: sgregows@dpw.lacounty.gov), which includes information on the drone equipment, the takeoff and landing areas, flight path, and copies of the drone operator’s FAA certification.
19. No personnel, equipment, or discharges will be permitted to enter any body of water within the facility.
20. Permittee must not allow any materials or wash water to flow downstream while carrying out the work.
21. Permittee shall be responsible for picking up all trash and recyclables, and cleaning up any oil leaks from the vehicles before leaving the site.
22. Due to the rockfall hazards at Big Tujunga Dam, the explosions and machine gun fire (film activities) may result in additional rocks falling. The applicant is fully responsible for the removal of fallen rocks caused by filming activities.
23. Permittee shall be responsible for resolution of any complaints deriving from the access (i.e. smell, noise, etc.).
24. Permittee shall repair any erosion or damage to District facilities caused by the proposed activity.
25. Upon completion of the work authorized under this permit, Permittee shall restore the area to the satisfaction of the District's representative. Permitee is responsible for closing the gates at the end of the day.
26. This permit shall not be exercised during inclement weather or when the 5-day forecast predicts rain. No activities will be allowed during storm events.
27. Permittee shall cover all cost for LACPW personnel required to be at the facility due to the filming activities, including any overtime.
28. The District/County assumes no responsibility for any claims, loss, damage or liability occurring by reason of Permittee's exercise of this permit
29. During the period of operations conducted under the permit, Permittee shall maintain in effect an insurance

NOT A PERMIT

policy (minimum limit of $2 million) naming the District/County as additional insured with respect to these operations. The District/County assumes no responsibility for any claims, loss, damage or liability occurring by reason of Permittee's exercise of this permit.

30. The permittee shall do community outreach at Vogel Flats downstream of Big Tujunga Dam.
31. All film activities shall be submitted to SWED – Dams Section (Scott Gregowske at cell phone: (626) 759-0804 and email: sgregows@dpw.lacounty.gov) for review and approval prior to start of any work related to the activity. Any activity that deviates from the scope of work from this approved film permit will not be allowed.
32. Additional Attachment(s): FCDP2019000634 Location Maps

FEE NAME	FEE CODE	AMOUNT
Related Services Affecting FCD Property	00358162	$5,000.00
Related Services Affecting FCD Property	00359521	$2,000.00
	TOTAL FEES:	**$7,000.00**

Performance of work activity under this permit is tantamount to agreeing to the following terms:

1. Permittee is hereby permitted to perform the scope of work described above at the location described above, subject to all applicable provisions of the Flood Control Channels Ordinance (Chapter 20.94 of Title 20, Los Angeles County Code), County of Los Angeles Highway Permit Ordinance (Division 1 of Title 16, Los Angeles County Code), and/or any Municipal Code or Ordinance governing the area where this work is to be done.
2. Permittee's activities in connection with this Permit shall also be subject to the provisions and conditions contained in this Permit and any attachments, which are incorporated herein.
3. INSPECTION REQUIRED - Contact the Permit Office indicated on the Permit at least one (1) working day before starting any work. Failure to do so may result in this permit being suspended or revoked.
4. Compliance with Section 8771 of the State of California Business and Professions Code for the preservation and/or perpetuation of existing land survey monuments.
5. Compliance with Chapter 12.80 Stormwater and Runoff Pollution Control of the Los Angeles County Code, and the Best Management Practices (BMPs) Attachment.
6. This permit must be made available for inspection at the work site upon request by a County or District representative, or law enforcement official.
7. This permit will expire if the work is not commenced within 180 days from the date of permit issuance.
8. Upon completion of work, contact the Permit Office indicated in this Permit no later than the next working day. Failure to do so may result in additional fees assessed.
9. This Permit is revocable by the District if the District determines that the public interest and welfare require such revocation and shall be deemed void if the Permittee is not in compliance with Section 3800 of the Labor Code.

NOT A PERMIT

LOS ANGELES COUNTY FLOOD CONTROL DISTRICT
STANDARD PERMIT PROVISIONS

1. This permit is valid only for the purpose specified herein. No change of purpose as outlined in application or drawings submitted with application is permitted except upon written permission of the Chief Engineer or his representative.

2. Activities and uses authorized under this permit are subject to any instructions of the Chief Engineer or his representative. **ALL INSTRUCTIONS MUST BE STRICTLY OBSERVED.**

3. Permittee shall be responsible for notifying their contractor and all subcontractors of the provisions of this permit.

4. Permittee (including its contractors and subcontractors) shall indemnify, defend (with counsel reasonably satisfactory to District and the County of Los Angeles), and hold harmless District and the County of Los Angeles, and their elected and appointed officers, employees and agents, from and against any and all claims, expenses (including court costs and reasonable attorney and expert witness fees) demands, liabilities, losses, or causes of action of whatsoever nature or character, for injury, illness or death or loss of, damage to or destruction of property which arises out of, or is in any way connected to, the activities of Permittee described in this Permit.

   This indemnification shall survive in its entirety the termination or revocation of this Permit, and shall remain in full force and effect in perpetuity, unless agreed to otherwise in writing by the District.

5. Permittee shall protect all District facilities where the proposed work comes in close proximity to the District facilities. Any damage caused to Flood Control structures by reason of exercise of this permit shall be repaired, at the permittee's sole expense, to the satisfaction of the District. Should the permittee neglect to promptly make repairs, the District may perform such work or have others perform the work, and the permittee agrees to reimburse the District for all costs of the work so performed upon receipt of a statement thereof.

6. Any structure or portions thereof or plantings placed on District rights of way or which affect District structures must be removed, revised, and/or relocated by permittee without cost to the District, or any other public agency the District shall so designate, should future activities or policy so require.

7. Unless authorized by this permit, permittee shall not prune, deface, destroy or remove any tree or landscaping growing or to grow upon the District right of way.

8. This permit is valid only to the extent of District jurisdiction. Acquisition of permits required by other affected agencies and consent of underlying fee owner(s) of District easement lands are the responsibility of the permittee. **NOTHING CONTAINED IN THIS PERMIT SHALL BE CONSTRUED AS A RELINQUISHMENT OF ANY RIGHTS NOW HELD BY THE DISTRICT.**

9. This permit is subject to all prior unexpired permits, agreements, easements, privileges, or other rights, whether recorded or unrecorded, in the area specified by this permit. Permittee shall make his own arrangements with holders of such prior rights.

10. Ingress and egress shall be at locations approved by the District's representative.

11. Permittee shall keep the District's right of way clear of obstructions for through access at all times and shall not interfere with the activities of the District's representative. Permittee shall be prepared to remove all material or equipment upon notice to accommodate District's operation and maintenance needs.

NOT A PERMIT

12. Permittee shall not use District's right of way for the temporary or permanent storage of excavated materials, rock, sand, cement, or other material, or any equipment, except as specifically noted.

13. Unless otherwise specified herein, this permit may be revoked or canceled at any time by the Chief Engineer or his representative when required for District purposes.

14. Upon written notice of cancellation or revocation of this permit for any cause whatsoever, permittee shall restore District right of way and structures to their condition prior to the issuance of the permit and then shall vacate District property. Should permittee neglect to restore the premises or structures to a condition satisfactory to the Chief Engineer or his representative, the District may perform such work or have others perform the work, and the permittee agrees to reimburse the District for all costs of the work so performed upon receipt of a statement thereof.

15. Permittee will be subject to fines from the California Regional Water Quality Control Board. the California Department of Fish and Wildlife, and the United States Coast Guard for any water pollution resulting from these activities.

16. In the event of a District employee work stoppage, the Chief Engineer or his representative reserves the right to suspend all activity authorized under this permit which requires inspection by the District. Activity authorized by the permit shall not resume until District approval to do so is given.

17. Unless otherwise specifically provided, all costs incurred by permittee as a result of the conditions of the permit or exercise by District of any right, authority, or reservation contained therein shall be the sole responsibility of and shall be borne entirely by the permittee.

NOT A PERMIT

Best Management Practices (BMPs)
Attachment

The Los Angeles County Department of Public Works (LACDPW) requires Permittees and their contractors to implement a program to effectively control water pollution during all Permit construction projects. This project shall conform with the requirements of the following County Code and Permits:

- Los Angeles, California County Code Chapter 12.80 Stormwater and Runoff Pollution Control
- Waste Discharge Requirements for Municipal Separate Storm Water System (MS4) and Discharges within the Coastal Watersheds of Los Angeles County, Except Those Discharges Originating from the City of Long Beach (Order No. R4-2012-0175 as amended by StateWater Board OrderWQ 2015-0075 and Los AngelesWater Board Order R4-2012-0175-A01, National Pollutant Discharge Elimination System [NPDES] No. CAS004001)
- NPDES General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities (Order No. 2009-0009-DWQ amended by 2010-0014-DWQ and 2012-0006-DWQ, NPDES No. CAS000002)

The Permittee or Authorized Representative and their contractors shall know and fully comply with the applicable provisions of these permits and Federal, State and local regulations that govern the Permittee or Authorized Representative's operations and the storm water discharges from the project site.
In order to ensure a minimum level of water quality control, the Permittee or Authorized Representative and their contractors shall effectively implement and maintain appropriate Best

- Management Practices (BMPs) shown in Table 1. In addition, the Permittee or Authorized Representative and their contractors shall comply with the following requirements:

- Sediments shall not be discharged to the storm drain system or receiving waters. Sediments generated on the construction site shall be retained.

- No construction-related materials: waste, spills, or residue shall be discharged from the project site to streets, drainage facilities, receiving waters, or adjacent property by wind or runoff.

- Non-storm water runoff from equipment, vehicle washing, or any other activity shall be contained within the project site using appropriate BMPs.

- Erosion from slopes and channels shall be prevented.

- Minimize grading during the wet season (October 15 through April 15). All erosion susceptible slopes shall be covered, planted, or protected in any way that prevents sediment discharge from the project site.

BMPs shall conform to the requirements in the LACDPW Construction Division's "Construction

http://dpw.lacounty.gov/cons/specs/BMPManual.pdf

NOT A PERMIT

Year-Round Implementation Requirements

The Permittee or Authorized Representative and their contractors shall have an effective program for implementing, inspecting, and maintaining water pollution control practices for wind erosion control, tracking control, non-storm water control, and waste management and materials pollution control.

Soil stabilization and sediment control practices shall be provided throughout the rainy season, defined as between October 15 and April 15, and whenever the National Weather Service predicts rain within 24 hours. The National Weather Service weather forecast shall be monitored and used by the Permittee on a daily basis.

The non-rainy season shall be defined as all days outside the defined rainy season. Disturbed soil areas within the project shall be protected in conformance with the requirements in the Construction Site BMP Manual with sediment controls implemented prior to a predicted rain event.

Maintenance and Inspection

The Permittee or Authorized Representative and their contractors shall be responsible throughout the duration of the project for installing, constructing, inspecting, maintaining, removing and disposing of the BMPs. Unless otherwise directed by LACDPW, the Permittee or Authorized Representative and their contractors are responsible for BMP implementation and maintenance throughout any temporary suspension of work. The Permittee or Authorized Representative shall reimburse LACDPW for the full costs of cleaning or repairing of storm drain, water course, or channel which may be necessary due to ineffective implementation of BMPs.

The project site shall be inspected by the Permittee or Authorized Representative or their contractors a minimum of once every week or at least once for projects that last only one week or less.

Report of Non-Permitted Discharge and Enforcement

If the Permittee or Authorized Representative or their contractors identify any non-permitted discharge into the storm drain system or receiving waters in a manner causing, or potentially causing, a condition of pollution, or if the project receives a written notice or order from any regulatory agency, the Permittee or Authorized Representative or their contractors shall immediately inform LACDPW Construction Division Permits Section by calling the assigned Field Office. The Permittee or Authorized Representative or their contractors shall submit a written report (see attached Notice of Non-Permitted Discharge) to the LACDPW within 5 days of the discharge event, notice or order.

The Permittee or Authorized Representative and their contractors are subject to enforcement action by Chapter 12.80 of the Los Angeles County Code that states,
corporation, municipality or district or any officer or agent of any firm, corporation, municipality or district violating any provision of this chapter shall be guilty of a misdemeanor. Such violation shall be punishable by a fine of not more than $1,000 or by imprisonment in the county jail for a period not to exceed six months, or by both fine and imprisonment. Each day during any portion of which such violation is committed, continued or permitted shall constitute a separate offense and shall be punishable as such (Ord. 98-0021§1(part), 1998).

In addition, the Permittee or Authorized Representative and their contractors are subject to enforcement action by the State Water Resources Control Board (SWRCB), Environmental Protection Agency, private citizens and citizen groups. The Permittee or Authorized

NOT A PERMIT

Representative and their contractors shall be responsible for the costs and for liabilities imposed by law as a result of the Permittee or Authorized Representative or their contractor's failure to comply. Costs and liabilities include, but are not limited to, fines, penalties and damages whether assessed against LACDPW or the Permittee or Authorized Representative or their contractors, including those levied under the Federal Clean Water Act and the State Porter Cologne Water Quality Act.

Small UAS Certificate of Registration

Name: CineDrones

Manufacturer: DJI

Model: INSPIRE 2

Serial Number: 09Y3G2T004H008

Certificate Number: FA3CE774NK

Issued: 04/10/2019 Expires: 04/10/2022

For U.S. citizens, permanent residents, and certain non-citizen U.S. corporations, this document constitutes a Certificate of Registration. For all others, this document represents a recognition of ownership.

For all holders, for all operations other than as a model aircraft under sec. 336 of Pub. L. 112-95, additional safety authority from FAA and economic authority from DOT may be required.

This Small UAS Certificate of Registration is not an authorization to conduct flight operations with an unmanned aircraft. Operations must be conducted in accordance with the applicable FAA requirements. The operator of the aircraft is responsible for knowing and understanding what those requirements are. For more information on flying for non-model purposes, please visit the FAA website at www.faa.gov/uas

CERTIFICATE OF WAIVER OR AUTHORIZATION

ISSUED TO

CineDrones, Responsible Person: Michael Fortin
Waiver Number: 107W-2016-00418

ADDRESS –

16555 Gault St.
Van Nuys, CA.,91406

This certificate is issued for the operations specifically described hereinafter. No person shall conduct any operation pursuant to the authority of this certificate except in accordance with the standard and special provisions contained in this certificate, and such other requirements of the Federal Aviation Regulations not specifically waived by this certificate.

OPERATIONS AUTHORIZED

Night small unmanned aircraft system (sUAS) operations in accordance with petition for exemption, docket number FAA-2014-0798.

LIST OF WAIVED REGULATIONS BY SECTION AND TITLE

14 CFR § 107.29 Daylight operation

STANDARD PROVISIONS

1. A copy of the application made for this certificate shall be attached to and become a part hereof.
2. This certificate shall be presented for inspection upon the request of any authorized representative of the Administrator of the Federal Aviation Administration, or of any State or municipal official charged with the duty of enforcing local laws or regulations.
3. The holder of this certificate shall be responsible for the strict observance of the terms and provisions contained herein.
4. This certificate is nontransferable.

NOTE—This certificate constitutes a waiver of those Federal rules or regulations specifically referred to above. It does not constitute a waiver of any State law or local ordinance.

SPECIAL PROVISIONS

Special Provisions Nos. 1 to 11, inclusive, are set forth on the attached pages.

This Certificate of Waiver is effective from October 14, 2016 to October 31, 2020 and is subject to cancellation at any time upon notice by the Administrator or an authorized representative.

BY DIRECTION OF THE ADMINISTRATOR

JOSEPH V FAGAN JR

Digitally signed by JOSEPH V FAGAN JR

General Aviation and Commercial Division, AFS-800

FAA Form 7711-1 (7-74) CC:

NOT A PERMIT

SPECIAL PROVISIONS ISSUED TO
CineDrones

General.

In order to respond to your petition for exemption under Section 333 of the FAA Modernization and Reform Act of 2012, docket number FAA-2014-0798, in the most expeditious manner, the FAA has construed your petition as an application to operate your sUAS under Title 14 Code of Federal Regulations (14 CFR) part 107 in accordance with the provisions of a Waiver. The FAA's Flight Standards Service has reviewed your application to ensure compliance with the requirements of 14 CFR § 107.200. The Administrator finds that the proposed sUAS operation can be conducted safely under the provisions of this Certificate of Waiver (Waiver) as listed below, because you have established adequate mitigations for risks involved with operating your sUAS in the manner you described. Adherence to the provisions of this Waiver establishes the required level of safety within the national airspace system.

This Waiver may be canceled at any time by the Administrator, the person authorized to grant the Waiver, or the representative designated to monitor a specific operation. As a general rule, this Waiver may be canceled when it is no longer required, there is an abuse of its provisions, or when unforeseen safety factors develop. Failure to comply with any provision listed below is a violation of the terms of this Waiver and may serve as justification for cancellation.

List of Regulations Waived by Section and Title. The following regulations are waived:

> 14 CFR § 107.29, Daylight operation, is waived to allow sUAS operations during night.

Common Provisions. The Responsible Person is directly responsible for safety of operations conducted under this Waiver and will ensure the remote Pilot in Command (PIC), manipulator of the controls, and Visual Observer (VO) complies with all provisions of this Waiver.

1. This Waiver must not be combined with any other waiver(s), authorizations(s), or exemption(s) without specific authorization from the FAA;

2. The FAA has the authority to cancel or delay any or all flight operations if the safety of persons or property on the ground or in the air, are in jeopardy or there is a violation of the terms of this Waiver;

3. Operations under this Waiver are to be conducted in Class G airspace only unless specific airspace authorization or Waiver is received from the FAA in accordance with § 107.41;

4. A copy of this Waiver must be available during sUAS operations that are the subject of this Waiver;

5. The Responsible Person listed on this Waiver must maintain a current list of pilots by name and remote pilot certificate number used in the Waiver holder's operations. This list must be presented for inspection upon request from the Administrator or an authorized representative;

NOT A PERMIT

6. The Responsible Person listed on this Waiver must maintain a current list of small unmanned aircraft (sUA) by registration number(s) used in the Waiver holder's operations. This list must be presented for inspection upon request from the Administrator or an authorized representative;

Night sUAS Operations Special Provisions. sUAS operations may be conducted at night, as defined in 14 CFR § 1.1, provided:

7. All operations under this Waiver must use one or more VO;

8. Prior to conducting operations that are the subject of this Waiver, the Responsible Person listed on the Waiver must ensure the remote PIC and VO are trained, as described in the Waiver application, to recognize and overcome visual illusions caused by darkness, and understand physiological conditions which may degrade night vision. This training must be documented and must be presented for inspection upon request from the Administrator or an authorized representative;

9. The remote PIC and VO must ensure the area of operation is sufficiently illuminated to allow both the remote PIC and VO to identify people or obstacles on the ground, or the remote PIC and VO must conduct a daytime site assessment prior to conducting operations that are the subject of this Waiver, noting any hazards or obstructions;

10. The sUA must be equipped with lighted anti-collision lighting visible from a distance of no less than 3 statute miles. The remote PIC may reduce the intensity of the anti-collision lighting if he or she determines that, because of operating conditions, it would be in the interest of safety to do so; and

11. In addition to the requirements of § 107.51(b), the sUA must not fly higher than 200 feet above any structure's immediate uppermost limit.

NOT A PERMIT

APPOINTMENT OF Stanley Production Services, LLC
AS AUTHORIZED AGENT AND REPRESENTATIVE

I certify that I am a representative of CBS CORPORATION (Principal) and am authorized to enter into binding contractual agreements on Principal's behalf provided Principal has pre-approved such agreements. I further certify that I am authorized by Principal to appoint other representatives and agents for Principal and to give such representatives and agents authority to enter into and bind Principal to agreements relating to the issuance and compliance with location film (e.g. theatrical, television, commercial, and other motion picture filming) and still photographic permits, including the permits themselves and any riders to such permits. Acting on the behalf of Principal in my capacity as its authorized representative, I appoint Stanley Production Services, LLC and its employees and agents as Principal's authorized representatives and agents to apply for and receive location film (e.g. theatrical, television, commercial, and other motion picture filming) and still photographic permits on behalf of Principal through FilmLA for any city, county or other jurisdiction that FilmLA contracts with, in accordance with Principal's instructions, to negotiate, discuss, accept, modify, agree to bind the Principal to the terms and conditions of such permits (including any restrictions and/or community guidelines applicable to any such permit) and to execute such permits on behalf of Principal. Principal understands, acknowledges and agrees that it (and/or it's insurer) remains responsible and liable for any and all obligations imposed by or incidental to any permit or rider issued to Principal signed by an employee or agent of (including any coordinator, runner or messenger used by) Stanley Production Services, LLC. Principal further agrees to comply with the terms and conditions of any such permits and hereby appoints Stanley Production Services, LLC as an authorized representative to facilitate compliance with such terms and conditions following issuance of such permits and to enter into agreements for Principal with respect thereto. Any person, city, agency, entity or organization (including FilmLA and any city, county or other jurisdiction that FilmLA contracts with) may rely on this appointment and not need obtain any further authorization for any act described herein. An original or electronic copy of this appointment shall be sufficient and may be treated as an original for all purposes. The appointment may be revoked by Principal at any time in writing delivered to FilmLA, but in any case shall expire one (1) year from the date of execution set forth below.

I declare under penalty of perjury under the laws of the State of California that I am authorized to appoint Stanley Production Services, LLC as an agent for Principal and based on that authority I hereby appoint Stanley Production Services, LLC as Principal's agent as set forth herein.
